Honorable Paul S. Diamond,
Dear Sir,

I pray that this letter reaches
you in good health & spirits.

Former Judge La Stone plays
was my judge for this case. The
last time I was in his court
room, I was made to sign papers
stating that I did not want
Criminal Release.

I would like to come
before you in your court room.

It's now been 15 yrs that I've
been residing at Carswell.

C/O. Gang member Dave Hawkins
has ordered me not to eat meals.
Not to eat anything not even if
I purchase Commissary or he and
his fellow gang members (STAFF)
kills my family.

Pg. #2

My father Dallas Session
 + Vaughn Session are here with
 me. My father also brother
 has been killed when plate the
 food they serve me. The food that
 they serve me, as well as population
 is ~~salas~~ ^{salas}. They've cut off body parts
 such as their feet & hands and
 served it to me as fried chicken.

They have come housed with
 my brother, and we have children
 together.

Inmates, also staff
 have killed, molested, and mutilated
 my children. They also have
 sold them as prostitutes as well
 as myself.

I am far away from
 home. I have no friends here.
 I won the world where I am
 hated.

Place Dawkins, and Nurse Yoon
 have derided me of my properties,
 businesses, and stocks.

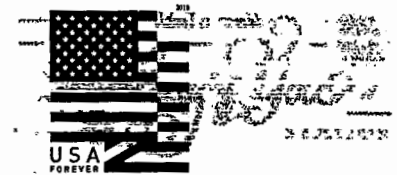

Please, help me!

Respectfully Yours

Verne
